About Us

David & Sandra have 2 young daughters and live on a 2.3 acre lifestyle block just outside Waiuku where they operate their businesses from home. In addition to The Perfect Wedding, they also run seminars for up to 1000 people on a regular basis.

Sandra's first job was at the Flower and Gift Shoppe in Pukekohe. She developed a large group of loyal customers that came in specially for her work. Later she was head hunted when a new florist opened in Pukekohe. She went on to manage florist shops in Papakura and Clendon. Sandra gave up full-time employment to become a full-time mother although continued to offer wedding flowers to an exclusive group clients. Sandra now works part-time as a florist for Smithies in Waiuku.

David started his DJ career back at the age of 14, initially assisting a friend who was a mobile DJ, which was a great way to learn the basics. As demand grew for his services he setup his own equipment and became the resident DJ at Pukekohe's first nightclub, and expanded the business to employ other DJ's. David is a qualified Engineer, holds a Diploma in Management from the University of Auckland and has held a number of senior management positions. When he got married, he chose to place his DJ business on hold in order to spend more time with the family.

Now of course David & Sandra get to work together in the Perfect Wedding.
